Interests register

A requirement of the Local Government Act 2002 (Part 4, Subpart 3 – Register of members’ pecuniary interests) directs local authorities to keep a register of pecuniary (financial) interests of elected members.

The purpose of this register is to record Councillor interests to provide transparency and to strengthen public trust and confidence in local government processes and decision-making.

Elected Members are required to file a pecuniary interest return annually by the last day of February and update throughout the year as changes occur.

In compliance with this subpart of the Act, which came into effect on 20 November 2022, the Invercargill City Council provides a link to the summary register below.
